This event showcases each SCPS Teacher of the Year and the announcement of our district-wide winner. SCPS leadership and members of the community come together to help celebrate these amazing teachers who keep our students motivated and learning.

Help us honor the best and brightest Seminole County educators! The district-wide winner will go on to represent Seminole County Public Schools in Tallahassee and be considered for the State of Florida's Teacher of the Year. This evening event has over 300 guests and makes a memorable experience for our educators as they are celebrated with their peers, families, SCPS leadership and the business community.
